

SCOAP Navigator Certification

Cohort 08.2026

Small groups of coaches/trainers are invited to be inducted into all aspects of SCOAP to increase their business impact:

- ✓ Full induction into the SCOAP model of brain and behaviour and how this applies to leadership and coaching
- ✓ A complete understanding of the neuroscience of human behaviour, motivation, and wellbeing.
- ✓ The underlying models of behaviour
- ✓ The solid science of human wellbeing
- ✓ The science of performance and engagement in business
- ✓ Unique and proprietary model, rigorously researched, and backed up by multi-disciplinary science.
- ✓ Certified as a SCOAP Practitioner (assessments) after 4 weeks, and SCOAP Navigator after 14 weeks
